CASE HISTORY

Planning Commission: 9/08/14 Richland County RS-LD to RS-1 PENDING

APPLICATION REQUEST

Applicant is requesting annexation to receive in-city water rates and City of Columbia solid waste service.

CURRENT PARCEL CHARACTERISTICS/CONDITIONS

The subject parcel is approximately 1 acre and located on Welborn Road midway between Joiner Road and Alma Road. City water, sewer, and fire hydrant services are currently available to this property.

PLANS, POLICIES, AND LAND USE

Urban Service Area

Subject parcel is in a “Primary Area” as identified in the Urban Service Area Map

Principles and Goals of the Urban Service Area

The Urban Service Area identifies those areas it wishes to provide with urban services. Primary emphasis will be given to annexing developed areas adjoining the city limits and “islands” of unincorporated territory surrounded by the city. Primary, secondary, and long-range annexation priorities for specific areas may be identified. Secondary areas may include higher value properties which assist the City in achieving a more balanced economic base.

Primary areas are constituted of land contiguous to the City where services are available and the infrastructure is generally good. These services include fire, police, sanitation, and utilities. Concerning utilities, these areas do not

assume that the water or sewer line extends directly to each lot, but that it is available for extension in a reasonable manner. Primary areas are intended to indicate that, barring unanticipated circumstances, annexation is recommended and, where appropriate, should be actively pursued.

The Columbia Plan 2018: Comprehensive Plan Land Use Classification

Subject parcel is in the “Suburban” designation in The Columbia Plan 2018 Future Land Use Map.

Under this classification, land uses are:

- Low/medium density
- Mixed income

Uses include characteristics such as:

- Landscape buffers
- Tree preservation
- Curvilinear, sometimes non-connected street patterns
- On-street parking allowed
- Small/Medium setback maximums
- Limited to no alleys
- Concentration of commercial activity along corridors and/or in nodes

It is the intent of the Suburban designation to provide and protect largely residential neighborhoods.

PROPOSED ZONING DISTRICT SUMMARY

The parcel is currently zoned RS-LD (Residential, Low Density) in Richland County. The adjacent lots to the north and west are also zoned RS-LD in Richland County. The adjacent lots to the east and south are zoned RS-1 in the City of Columbia.

The RS-1, RS-1A, RS-1B, RS-2 and RS-3 districts are intended as single-family residential areas with detached units with low to medium population densities. Use regulations for the single-family districts are identical, but contain varying classes of lot width and lot area, and these dimensional differences are intended to be preserved. Certain structures and uses required to serve governmental, educational, religious, noncommercial recreational, and other needs of those areas are permitted outright within such districts or are permissible as special exceptions subject to restrictions and requirements intended to preserve and protect the single-family residential character of the district.

STAFF RECOMMENDATION

Annex with RS-1 rezoning.
