PLANS, POLICIES, AND LAND USE

The Columbia Plan 2018: Comprehensive Plan Land Use Classification

The subject parcel is designated Urban Core Residential Small Lot (UCR-1) in The Columbia Plan 2018 Future Land Use Map.

Urban Core Residential Small Lot neighborhoods are common just outside the urban center, most were subdivided before 1950 and many continue the grid or street network from the original planned portion of the City. This development type may represent existing neighborhoods and is also a development form appropriate for medium to large-scale redevelopments or infill sites. Traditional and contemporary architectural styles have a place in these neighborhoods. When infill development is designed, scale and orientation of existing structures on the block should act as design presets.

Primary Types

- Single-family Detached

Secondary Types

- Single-family Attached
- Two-family
- Three-family

Tertiary Types

- Multi-family Small
- Small Format Business/Employment (excl. Flex)
- Cemeteries and Mausoleums

Existing Neighborhood, Small Area, Community, and/or Corridor Plans

The subject parcel is covered by the *Old Shandon - Valley Park Neighborhood Conservation Plan* (1980). The plan notes that residents in the Maple Street Area (identified as Area 2) wished to prevent further commercial intrusion. The Plan recommended that the parcel remain zoned C-1 (Plan Exhibits 12 & 13).

PROPOSED ZONING DISTRICT SUMMARY

The subject parcel is currently zoned Office and Institutional District (C-1), as is the property across Woodrow to the West. Surrounding property is zoned Planned Unit Development – Residential District (PUD-R) to the South and East and General Commercial (C-3) to the North. The adjacent PUD-R allows for live-work (or "commercial, residential or mixed use construction") on the small vacant lot on the corner of Millwood and Woodrow, but otherwise allows only home occupations. Property to the South and East is part of the Old Shandon/Lower Waverly Historic District Area B (Buffer).

Office and Institutional District (C-1)

The C-1 district is intended to accommodate office, institutional, and certain types of residential uses in areas whose characteristic is neither general commercial nor exclusively residential in nature. Certain related structures and uses required to serve the needs of the areas are permitted outright or are permissible as special exceptions subject to restrictions and requirements intended to best fulfill the intent of this article.

The proposed City of Columbia zoning is Neighborhood Commercial District (C-2).

Neighborhood Commercial District (C-2)

The C-2 district is intended to accommodate commercial and service uses oriented primarily to serving the needs of persons who live or work in nearby areas. Certain related structures and uses required to serve the needs of such areas are permitted outright or are permissible as special exceptions subject to restrictions and requirements intended to best fulfill the intent of this article.

STAFF RECOMMENDATION

As the Old Shandon Valley Park Neighborhood Plan recommended that the parcel remain zoned C-1 and the land use plan considers small format business as a tertiary use which is allowed in the C-1, staff recommends the denial of the request to rezone the parcel from C-1 to C-2, as the C-2 has additional uses that are more intense.
