III. REGULAR AGENDA

Zoning Map Amendment

7. **1829, 1859 and 1863 West Buchanan Drive**, TMS#13907-03-28, -29, and -30; request recommendation to rezone from RS-1, -FP (Single-Family Residential, Floodplain Area) to RS-2, -FP (Single-Family Residential, Floodplain Area).

Staff recommended denial for rezoning as there is a large portion of the area that remains RS-1 and based as well as the future land use designation.

John Blackmon, applicant, presented on behalf of the property owners Ms. Carol Marshall, owner of 1859 West Buchanan, and Mr. and Mrs. Harry Smithson, owners of 1863 West Buchanan. Mr. Blackmon provided an exhibit of the property to Commission members.

The lot fronting on Beltline Boulevard is known as 1829 West Buchanan. The back lot is not buildable and both houses were flooded out, and the CAP for improvements is not feasible. Property owners would like to develop the properties into three lots facing West Buchanan.

Harry Smithson, property owner of 1863, spoke of property damages that occurred with the flooding, and spoke in support of the recommendation for rezoning.

Mr. Fellows reminded Commission members that they were not charged with approving the exhibit provided by Mr. Blackmon as an actual plat as it could be changed, and has not yet been evaluated by the Zoning Administrator.

Brooks Walter, Beltline resident, spoke in support of the recommendation for rezoning.

Linda Cremins, Historic Trenholm-Buchanan Neighborhood Association president, said this came to the neighborhoods attention very late and did not allow time for review. She felt she could speak on their behalf and does not feel there would be any objection to the reorganization of the lots.

Motion by Mr. Stern to approve the request to rezone the parcels from RS-1, -FP to RS-2, -FP.

Motion seconded by Mr. Stern and Ms. James in unison. Motion approved 7-0.

Site Plan Review

DEFERRED 8. 4.6 acres, 100, 200 and 300 Blocks of Northwood Street, TMS#09004-04-34, 09004-04-36 thru 61, 09101-01-08 thru 39; request site plan approval for the construction of a single-family residential cluster housing development (Canal Place Phase 2D3). The property is zoned RG-2 (General Residential).

Mr. Fellow requested a clarification motion for item 4. In reviewing the agenda and the actual evaluation, the actual request for Abernathy Street and Garners Ferry Road was to annex and zone to RG-2 (General Residential) zoning classification. The agenda erroneously states C-3 zoning classification.

Motion by Mr. Dinkins to correct the previous motion to annex and assign the land use classification of AC-2, and assign a temporary zoning of RG-2 which was mistakenly written as C-3.

Motion re-seconded by Mr. McDuffie. Motion approved 6-0 with Mr. Waites recused from voting.

9. OTHER BUSINESS

Newly appointed Planning Commission member, Ernest W. Cromartie, III, was introduced and welcomed. Mr. Cromartie was in attendance to view the March meeting and will be seated at the April meeting.
