VII. ADJOURNMENT

CONSENT AGENDA

The Board of Zoning Appeals uses the consent agenda to approve non-controversial or routine matters by a single motion and vote. If a member of the Board or the general public wants to discuss an item on the consent agenda (at the beginning of the meeting), that item is removed from the consent agenda and considered during the meeting. The Board then approves the remaining consent agenda items. If an item is removed from the consent agenda, that item will be heard after old business on the regular agenda.

MEETING FORMAT

Applicants with requests before the Board of Zoning Appeals are allotted a presentation time of 10 minutes. This time should include but is not limited to an overview of the project, case history, and any pertinent meetings held regarding the request. This time also includes all persons presenting information on behalf of the applicant such as attorneys, engineers, and architects. This time limit does not include any questions asked by the Board of Zoning Appeals or staff regarding requests. Zoning staff may make a 10-minute presentation.

Any member of the general public may address the Board in intervals of 3 minutes; or 5 minutes if by a spokesperson for an established body or for a group of three or more. The applicant will then have 5 minutes for rebuttal.

The Board reserves the right to amend these procedures on a case-by-case basis.

ORDERS OF THE BOARD

In accordance with S.C. Code §6-29-800 and §17-113(b) of the City of Columbia Zoning Ordinance all final decisions and orders of the board shall be in writing and permanently filed in the office of the board as a public record. All findings of fact and conclusions of law shall be separately stated in final decisions or orders of the board which must be delivered by certified mail to parties of interest. Generally, final decisions of the board are mailed to the applicant and parties of interest prior to the following board meeting.
